\$2,000: Beginning in 2014 ANIU, Uruguay increased its dues from \$1,000.

\$6,000: ATSE, Australia; CAE, China; INAE, India; EAJ, Japan; RAEng, United Kingdom; NAE, United States.

[For the record, from the Council meeting of July 14, 2005, certain reservations had been expressed after the dues structure had been agreed.

*The reservations included: those academies paying the lowest level of dues should do so on a well justified basis and endeavor to strengthen their financial basis and increase their dues payment to the middle level in the near term; decisions by the Board on these matters should be transparent and without the potential for conflict-of-interest.]*
