

CAETS Council Meeting
London Delhi
September 15, 2016

2018 Dues

The Council is asked to approve continuation of the 2006 dues structure for FY 2018. This structure has been approved, each year, for FY 2006 through FY 2017.

The 2006 dues structure is:

\$1,000: ANI, Argentina; HATZ, Croatia; EA CR, Czech Republic; HAE, Hungary; IAS, Slovenia; SAAE, South Africa.

\$2,000: Beginning in 2014 ANIU, Uruguay increased its dues from \$1,000. Beginning in 2016 BACAS, Belgium and AcTI.nl, Netherlands increased their dues from \$1,000.

\$3,000: CAE, Canada; ATV, Denmark; TAF, Finland; NATF, France; acatech, Germany; NAEK, Korea; AI, Mexico; NTVA, Norway; RAI, Spain; IVA, Sweden; SATW, Switzerland.

\$6,000: ATSE, Australia; CAE, China; INAE, India; EAJ, Japan; RAEng, United Kingdom; NAE, United States.

[For the record, from the Council meeting of July 14, 2005, certain reservations had been expressed after the dues structure had been agreed.

The reservations included: those academies paying the lowest level of dues should do so on a well justified basis and endeavor to strengthen their financial basis and increase their dues payment to the middle level in the near term; decisions by the Board on these matters should be transparent and without the potential for conflict-of-interest.]
