

The Rotation Schedule – 1 July 2016

(Year elected, with actual thru 2016 and scheduled for near-term future)

(P – Pres., PE – Pres.-Elect, PP – Past Pres., 3P - 3 positions, BM – Board Member, AM – Annual Meeting, C - Convocation)

The member academy at the top of the Schedule hosts the Annual Meeting of the Council and a Symposium or Convocation, and provides the president. The second member academy provides the president-elect. At the end of the year, the member academy hosting the meetings is placed at the bottom of the Schedule and provides the Past President for the next year. The term of office for President, President-elect and Past President is one year; it is expected that the same person will serve in the three positions during the three-year period. Eight other member academies distributed throughout the Schedule each provide a Board Member for a two-year term (one-year terms prior to 2008). At each annual meeting the Council elects the President-elect and four Members of the Board of Directors for the next year. Member academies with representatives on the Board must be members in good standing. Terms of office begin January 1.

When elected to membership in CAETS, new member academies are placed at the bottom of the Schedule in the order completed applications are received. By mutual agreement and with approval by the Board of Directors, member academies may exchange places on the Schedule.
